Executive Summary

The Heywood and Middleton Local Engagement Group (LEG) meeting was held at the Middleton Masonic on Tuesday 14th May 2019 at Middleton Masonic Hall.

Presentation

A presentation was given on hydration and nutrition by Martin Hazelhurst. He advised about how important nutrition is especially in the elderly population. He also advised re food being much better than supplements. Members advised about the importance of sharing this information via their noticeboards, PPGs and nursing homes. Contact details were given by Mr Hazelhurst.

Mike O'Keefe from Rochdale Adult Care shared the Autism Strategy with the members. A report 'Making GM Autism Friendly 2019 to 2022' was shared with members.

The strategy was summarised for members. The main points were communication for patients with autism and information about appointment times.

Meetings

Members were advised that Fred Thomason had stepped down from chairing the meeting. Members were asked to put themselves forward for the role of the LEG chair.

Members were advised about CPAP and this meeting highlighted some of the achievements of the CPAP. They were advised about the breakthrough with regards to Duplicate scanning, MSK services, Pain Clinic review and Lymphedema service. Members were thanked for their participation. They were also advised about the CPAP and the open invite to GP's.

Members were advised that Community services would now be moving to Northern Care Alliance from the 1st of July 2019. They were also informed about the procurement of children's services which was being undertaken and would be mobilised in September 2019.

Members were advised about the deadline for Primary Care networks. Heywood and Middleton Networks had been decided however issues were still present for the Rochdale Networks.

The balloon payments for the Core Plus Contract were discussed with members. They were advised about the balloon payments and the fact that the prescribing data was still awaited. This would be discussed after the May Governing Body in an extraordinary meeting. Members were thanked for their hard work around prescribing especially with regards to antibiotics.

My COPD app launch was discussed with members. A number of prescribing issues were discussed with members including the maximum number of days which controlled drugs can be

prescribed is 30 days. A suggestion to discuss in a future CPAP about antibiotics (given 20% are from Secondary Care) and secondary care prescribing was mentioned by members. This would be looked into further.

Members were advised about the £12.2 million financial deficit that the CCG were facing alongside the QIPP Projects to help reduce this. Discussion was had around Health Apps and whether this could help patients in HMR.

The Heywood and Middleton Local Engagement Group (LEG) meeting was held at the Middleton Masonic on Tuesday 11th June 2019 at Middleton Masonic Hall.

Presentation

The George House Trust gave a presentation about HIV Awareness and support for patients newly diagnosed with HIV. As well as running training sessions for Health care Professional they also run courses for schools and provide social support.

The George House Trust advised about how early testing in HIV can have a better prognosis for patients. There was discussion around PEP and how this is being trialled in Greater Manchester to help reduce the burden of HIV. Contact details were given to the members to contact them if they had any further issues.

The second presentation was given by the Parent Infant Mental Health Service (newly launched service) as well as Healthy Young Minds. Healthy young Minds advised members about change in referrals and that everything would now go via Single Point of Entry.

The Parent Infant Mental Health service is for parent/ carers who have a mental health issue that has the possibility of affecting the relationship with their baby. The referral criterion was given to members. They were also advised about a special scheme called Dads Matter. This is an online support group for fathers of children.

Members were advised by about the proposed change to LEG meetings and that the options papers were being sent to them for review and to make a decision. Also, regarding the August meeting- members felt that the LEG meeting should be cancelled however the Primacy Care Networks would still meet.

Meetings

Members were advised about the new direct access for CT for suspected Pancreatic Cancers and about FIT testing for low risk patients to rule out bowel cancer.

Members were also advised about the Primary Networks and following the extraordinary meeting that they were approved. They were also updated about the on-going reconfiguration of hospitals. The main issue was funding in relation to the re organisation.

Prescribing Update

The Over the Counter Medicine direction was discussed. Concerns from members included risk of suing and risk of complaints. Also, the conflict as the GMC advises treatment. Members suggested that these drugs should be blacklisted from the Formulary but understood this was a national issue.

Members were advised that these were guidelines only and that clinical judgement should be used. They were also advised that Allied Health professional would also be aware of this. The Minor Ailment Scheme would continue also. Details about the communication strategy were discussed.

Clinical and Professional Advisory Panel (CPAP)

Members were given information regarding the scheduled work around Planned and Urgent

Care reviews. Dr York is supporting the Urgent Care review and Dr Sharma the Planned care review.

Members were advised about Health Innovation Manchester and about the upcoming projects that HMR could link in with. Members also discussed other projects which they could link in with.

Members were also advised about the importance of attending CPAP and to consider this when looking at options for the LEG meetings
