Executive Summary

The May Rochdale Local Engagement Group (LEG) meeting was held at the Apnar Ghar centre on Tuesday 14th May 2019.

Guest Presentations

Presentation 1: Hydration and Nutrition, Martin Hazlehurst, Age UK

A presentation was provided to members. Members were asked for any comments or questions. It was queried whether this presentation has been taken to care homes in the Borough. The suggestion was noted and it was highlighted that links have been made with the Caring Together Forum. A suggestion was made regarding linking this to the flu clinics held at practices. It was confirmed that this took place in Stockport and was successful as it provides an opportunity to gain access to a significant number of elderly patients.

Presentation 2: Autism, Mike O'Keefe, Rochdale Borough Council

A presentation was provided on the Strategy for Autism in GM. Members were asked for any comments or questions – no further discussions took place.

Usual Committee Business

As usual, papers and updates had been sent via email to all members. No feedback was received and there were no questions relating to the papers from anyone.

CPAP

A short presentation was given by Dr York regarding a 6 month summary of CPAP Actions and Achievements and feedback given by core members as to its structure.

Primary Care Networks

Part 2 of the agenda of used to discuss the primary care networks.

The June Rochdale Local Engagement Group (LEG) meeting was held at the Apnar Ghar centre on Tuesday 11th June 2019.

Guest Presentations

Presentation 1: Developments in Cancer Pathways – Dr Carolyn Walker

Dr Walker updated on Direct Access CT scan for suspected pancreatic cancer and Faecal Immunochemical Testing (FIT) for low risk symptomatic patients to rule out bowel cancer.

Both these pathways become available to local GPs on 1st July.

Presentation 2: HIV Referral Pathways, Paul Fairweather, George House Trust

George House Trust is commissioned by CCG to deliver HIV awareness sessions to the community and also support for newly diagnosed patients. The referral mechanism is via the website and can be self referral or via health care professionals. George House Trust also run courses for different demographics and also go in to schools focusing on education, safe sex and stigma.

Presentation 3: Parent Infant Mental Health (PIMH) Service /Children & Young People Mental Health: Sarita Dewan, Healthy Young Minds Rochdale / Jennifer O'Neill, #Thrive

Members were advised that #thrive is now a clinically triaged single point of access service. Members were also informed about the launch of a new Parent and Infant Mental Health service. Parents can be referred at any time from pregnancy to the child's 2nd birthday. The service is made up of mental health clinicians, support workers, specialist midwives and other health care professional support. Referral is via the SPOA currently and not yet open to self-referral.

Usual Committee Business

As usual, papers and updates had been sent via email to all members. There was a brief discussion regarding the future of LEG meetings – how to appoint a chair and frequency/format moving forward – a questionnaire has been circulated to the practices.

Medicines Optimisation Update: A discussion was had around the Over the Counter Medicines paper. David Reece went through a list of general exceptions to the OTC Policy eg OTC meds prescribed for a long term condition or treatment of more complex ailments which need multiple medications which may be available in smaller quantities OTC or treatment of complex patients eg those who are immunocompromised or those who have failed to respond to OTC medicines.

CPAP

Dr York updated the members regarding the CPAP agenda and planning.
