**1<sup>st</sup> April 2019 – 31<sup>st</sup> March 2020**

**Clinical and  
Professional Advisory  
Panel – page 2**

**Achievements – page 4**

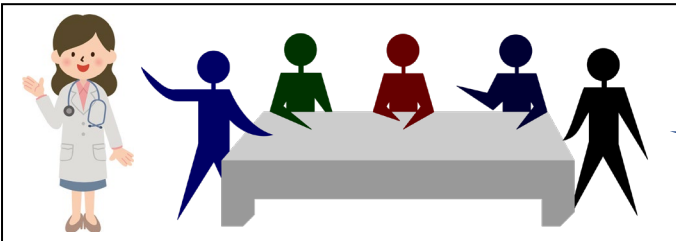

**Looking Forward – page 6**

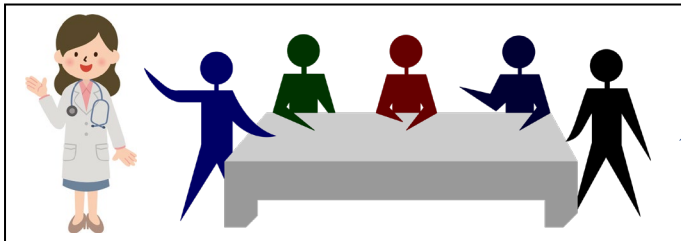

**Difficult words.**

In this report any **difficult or unusual words will be in bold**. The meaning of these words will be explained at the end of the report

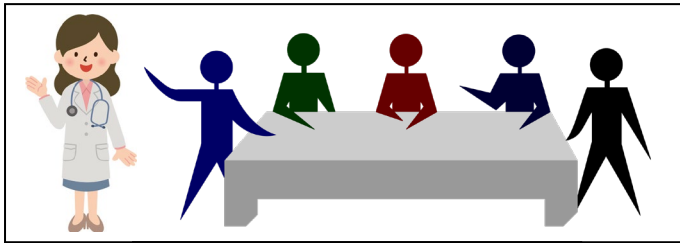

**Clinical and Professional Advisory Panel**

**Clinical and Professional Advisory Panel**

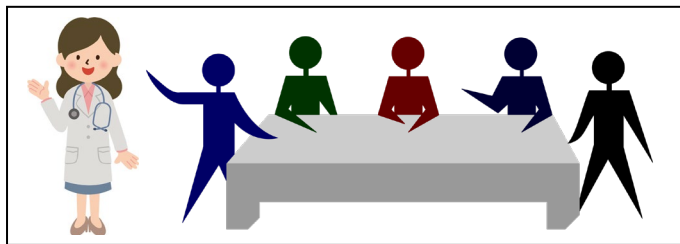

**Clinical and Professional Advisory Panel**

The Clinical and Professional Advisory Panel gives advice to the Governing Body, Integrated Commissioning Board and Partnership Forums.

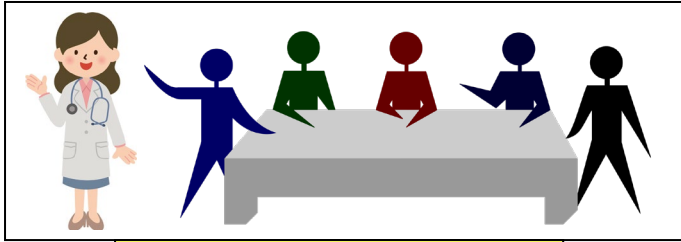

**Clinical and Professional Advisory Panel**

It looks after joined up buying business linked to the delivery of the **Locality Plan** and wider plans of the CCG and RBC. It makes sure clinical and professional advice is given across health, public health and social care.

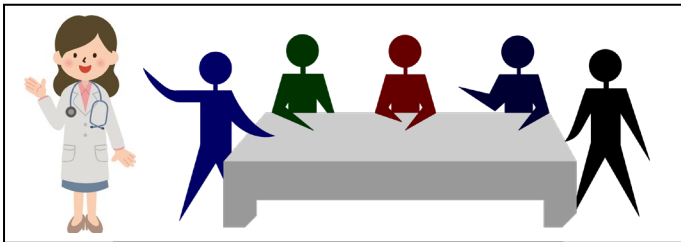

**Clinical and Professional Advisory Panel**

There is a core membership the panel. Membership matches the issues being discussed at each meeting. Members are not representing their organisation or its interest but to give independent expert opinion.

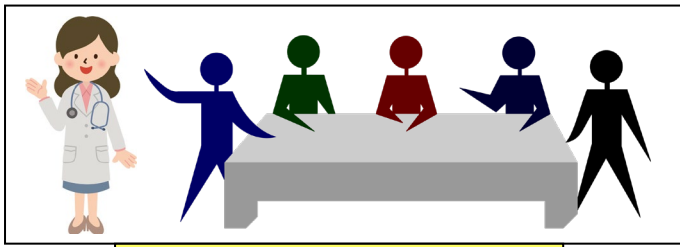

**Clinical and Professional  
Advisory Panel**

It is a forum that many healthcare groups like the Integrated Commissioning Board, Governing body, partnership groups and others, can refer issues to for advice from across the healthcare system

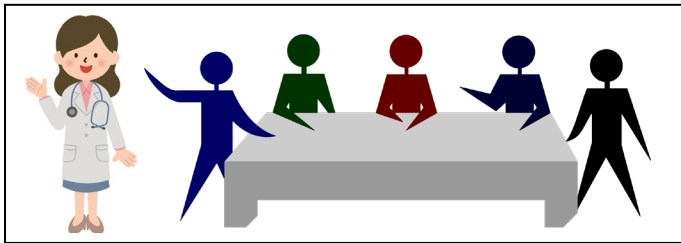

**Clinical and Professional  
Advisory Panel**

It leads and informs the design and growth of effective, joined up pathways of care/support for better service delivery

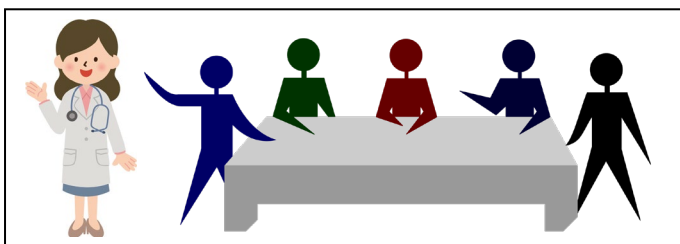

**Clinical and Professional  
Advisory Panel**

It grows ideas and suggest new ways of doing things.

**Clinical and Professional  
Advisory Panel**

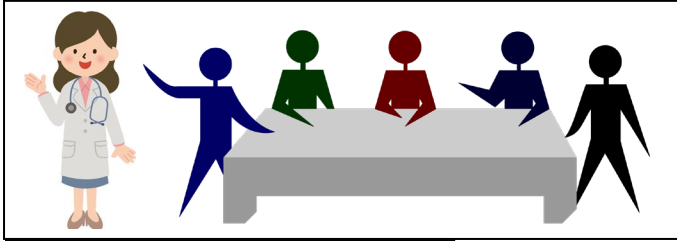

**Clinical and  
Professional Advisory  
Panel achievements**

**Clinical and Professional  
Advisory Panel**

The part played by GPs

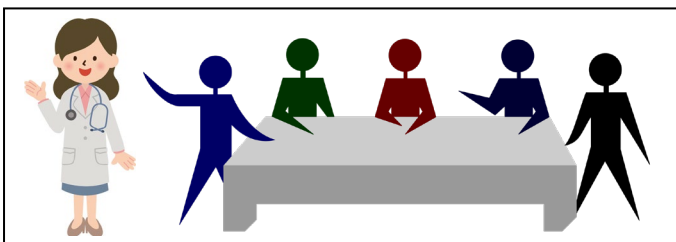

**Clinical and Professional  
Advisory Panel**

Gave a clinical view and recommendations for:

- Lymphoedema Service
- Pain Service
- Urgent & Planned Care Reviews
- Diagnostics
- Vitamin D Testing
- Pop Up Birthing Centre
- Antibiotic Use in Acne
- Avastin
- Colposcopy
- Vasectomy Provision
- Prescribing vitamins in Pregnancy
- Fibromyalgia Pathway

**Clinical and Professional  
Advisory Panel**

A recent planning session thought about how the panel needs to change in a more joined up care system and the panel saw the need to grow the partnership with the Local Care Organisation

## **Difficult or unusual words**

**Locality Plan** – A plan for the borough saying how healthcare services will be improved
