## 1. Introduction

The Patient and Public Engagement Committee (the Committee) is established in accordance with Heywood, Middleton and Rochdale Clinical Commissioning Group's (NHS HMR CCG) constitution, standing orders and scheme of delegation.

These terms of reference set out the membership, remit responsibilities and reporting arrangements of the Committee and shall have effect as if incorporated into the clinical commissioning group's constitution and standing orders.

## 2. Purpose of the Committee

Under delegated authority from the Governing Body, the Committee will provide assurance on the delivery of the CCG's patient and public involvement duty. Ensuring the CCG's commissioning activities meets its statutory duties, adheres to national guidance and best practice.

The Committee will also work in collaboration with the CCG Governing Body and Committees to provide assurance that commissioned services are designed to meet patients' needs and delivered with due regard to patient safety, quality effectiveness therefore making best use of NHS resources.

The Committee will conduct its business in accordance with national guidance and the Nolan principles of public life. The Committee will review its own performance, membership and terms of reference. Any resulting changes to the terms of reference should be approved by the Governing Body.

## 3. Objectives of the Committee

The Committee will:

- Provide assurance that patient and public engagement has a strategic focus, is integrated into commissioning functions and influences the direction of service delivery in the short and long term.
- Scrutinise, advise and promote innovation on the patient and public engagement element of commissioning plans throughout the commissioning cycle. Ensuring all engagement activity satisfies ethical and governance standards.
- Assure inclusive and equitable patient and public engagement is evident and auditable in the commissioning and performance management of service delivery and planning.
- Act as conduit for CCG engagement and partnership working with 3<sup>rd</sup> sector and statutory organisations across the borough, building capacity and capability.
- Provide a mechanism for the collection and monitoring of public opinion across the borough's diverse communities.
- Assure avoidance of duplication and save resources by ensuring all local patient and public engagement is joined up and co-ordinated.
- Analyse engagement activity understanding who has been engaged by area, gender, age, disability, ethnicity, religious and sexual orientation (where possible), and ensure action plans are produced to close any gaps.
- Monitor the effectiveness of feedback to patients and the public on how their engagement has influenced the commissioning and performance monitoring of services.

Committee: PPEC	Approval date: <del>July</del> January 2021 <del>0</del>	Version number: 4.1 <del>0</del>
Status: <del>Ratified</del> For Approval	Ratified by: Governing Body	Page 3

- Support and recommend policies and strategies governing the management and process for patient and public engagement and the gathering of public opinion.
- Assure that national, regional and local data is triangulated with locally gathered data to ensure equitable services and best use of resources for the residents of the borough.
- Act as a conduit for engagement with local health and social care partner organisations, 3<sup>rd</sup> sector organisations and other public sector bodies promoting and supporting shared goals.

To deliver the objectives, task and finish groups will be established to focus on the specific areas of work, the committee will receive updates from the task and finish groups and also provide advice and support to such groups.

#### 4. Membership

The Committee shall operate as a sub - committee of the Governing Body.
